

VEDANT ENGINEERING SERVICES
Excellence Through Quality >>>

: We are one of the renowned manufacturers of :

Special Purpose Machines | Hydraulic Power Pack & Cylinders | Hydraulic Systems & Equipments
Control Panel For Process & Automation | Industrial Process Automation | PLC, HMI & SCADA Systems.

Established in the year 1997, Vedant Engineering Services (AN ISO 9001 : 2008 CERTIFIED COMPANY) ushered in the quality, excellence and reliability in the field of Hydraulic Equipments and Process Automation. We specialize in the manufacturing and supplying of Hydraulics Equipment & tools such as Hydraulic Equipments, Hydraulic Cylinders, Hydraulic Power Pack, Hydraulic Spares, Control Panels For Process & Automation also Automation For Productivity Improvement and Special Purpose Machines.

Our claim of being better than others is backed by innovative designs, cutting edge technology, excellent track record year after year and trust of our revered customers. Once someone uses our product, it etches in the mind. Our machines commit to the highest industry standards and outputs.

We are the best in the business owing to our reluctance to ignore quality for profits. We are competent and keep ourselves updated with changing technology to serve our customers better. We identify and acknowledge the ups and downs in the economy and market status, therefore we have priced our products considering masses and not just few sectors or individuals.

We boast of a rigid but flexible framework of manufacturing and supply to undertake any possible outage or untoward circumstances. Our growing sales and reputation proves that we have been able to make an identity for our products. Our equipment is time tested, cost-effective, unanimously accepted and applauded. Our products are climate and region independent and that gives them edge over all other manufactures.

Mr. Vinod Ajnadkar serving as the director of Vedant Engineering Services, has been extremely instrumental in growth of this company. His out-of-the-box ideas and improvisation in difficult situations, added solidity to the continuous growth of the organization.

➤ Hydraulic Power Pack

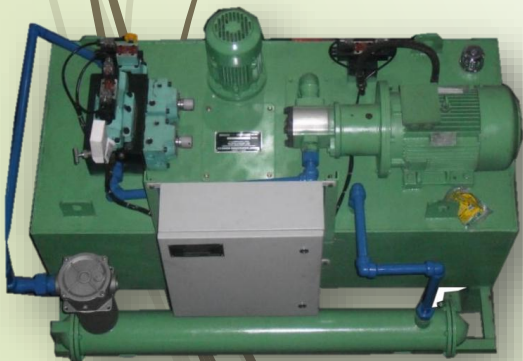

VEDANT ENGINEERING SERVICES
Excellence Through Quality >>>

Vedant Engineering Services is one of the leading hydraulic power packs manufacturers and suppliers in India. We provide these power packs in both standard and custom built designs. Available in auto cut off and holding types these power packs have quality finish and hence paint them with epoxy paints / Powder Coating. We ensure that our power pack systems have compact design, rust free nature, quality cylinders with single / double acting. Our range of hydraulic power packs components is tested on various parameters like durability, resistance, shelf life to ensure quality product to our customers.

Power pack offers capacities, control options & configurations for virtually any application requirement. A wide variety of Manifold option & choice of Pumps enables customer to match any application requirement with a power pack that, meets his system, at the same time ensuring cost effective operation and optimum productivity.

Vedant Engineering Services specializes in developing hydraulic systems from enquiry to final commissioning and after-sales service. Numerous customized Hydraulic Power Pack specifically designed after understanding the users application & needs.

Numerous customized Hydraulic systems specifically designed after understanding the users application & needs.
